

Duncan Monkhouse

First Vice President

Duncan has over thirty years of experience with microcomputers. He first started supporting law enforcement at the beginning of his career as IT support and development for a local police force, later as a programmer for the Royal Canadian Mounted Police. He moved from programming into the Computer Security field and then into Computer Forensics in 1994. After leaving the RCMP in 2001

Duncan has been working at the Competition Bureau Canada as an Electronic Evidence Officer.

Duncan started attending local HTCIA meetings with the founding of the Ottawa Chapter in 2001. Since then he has held the positions of Secretary, Treasurer, 1st VP and President at the local level. In 2008, Duncan was elected to the International Executive Committee as Secretary and re-elected for 2009. Duncan is currently the Chair for the 2010 International Training Conference and Expo being held in Atlanta Georgia.
